

U3A AT CHRISTMAS

Jingle Bells goes Santa's Sleigh
As it wends its way
To our U3A.
We are an older group of people
But oh so young at heart.
There is so much for us to do
It's knowing where to start
Our numbers have grown
Ours groups have too
There's something for everyone
To learn anew.
We thank the committee leaders too
For the work they do the whole year through.
We all will meet again
To start a busy New Year, 2010.
So lets raise our glasses, smile and say:
Season's Greetings to us all in
Skegness U3A
